

## RIVERSIDE LIVING YOU WILL LOVE

Want to live 5km west of the city on the edge of Linear Park? Here's your chance to snap up a brand new home off the plan. Riverside, a new 100-home gated community development at Allenby Gardens, was recently launched with much celebration by developer Galbraith Developments, with homes to be built by Hickinbotham and Statesman Homes. The master planned estate will feature a series of beautiful designer homes, both single and double storey, starting from \$499,950 through to the mid-\$700,000s, with front landscaping included. The first nine blocks have gone on sale, with a staged release expected, and development of the first homes will start early next year. Designs include The Brook, The Delta Alfresco, The Freesia Alfresco, The Ivy Alfresco, The Como Alfresco and The Aspen Alfresco. *For more info, call 1300 554 504, [riversidesa.com.au](http://riversidesa.com.au)*
